

Churchill Community High School Annual Education Report

August 22, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for the Churchill Community High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact the school's Main Office for assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.royalockschools.com/portal/churchill> or you may review a copy from the principal's office at your child's school.

For 2010-2011, Churchill Community High School did not receive an AYP status from the state.

State law requires that we also report additional information.

1. **PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL:** Our students come to us from Royal Oak and surrounding communities. Most of our community high school students are between the ages of 15 and 19.
2. **THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN:** Our School Improvement Team is involved in a comprehensive school improvement process that will address student learning in ELA and Math as well as some student engagement concerns. Our school plan is up-to-date and current, per requirements of AdvancEd and the State of Michigan School Improvement Office.
3. **A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL:** Churchill Community High School is an alternative high school serving the needs of students who want to pursue their high school diploma in an alternative setting.
4. **IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL:** copies of the core curriculum are available through the principal's office.

Churchill Community High School is committed to maintaining its reputation for offering high school age students a challenging curriculum that supports their learning and future goals.

Sincerely,

Patrick Wolynski
Principal
